

**ACCESSIBLE
FESTIVALS**

**MUSIC AND RECREATION
FOR ALL ABILITIES**

**Recreation is an
essential human right.**

Recreation is critical to human happiness.

However, the importance of recreation is often overlooked for the **65 million people living with disabilities.**

Accessible Festivals
recognizes this essential
human need and is
dedicated to making
communities stronger by
**ensuring music and
recreation is accessible to all
abilities.**

Shared musical experiences benefit everyone:

Strengthens
family and
cultural
connections

Improves
health and
promotes
healthy
habits

Reduces
stress, pain,
and
antisocial
behavior

Builds social
cohesion and
inclusive
communities

We envision a fully inclusive world that guarantees access and a sense of belonging for ALL people.

Our mission is to foster connection and understanding through the universal language of music, to provide a platform where people of all abilities and identities can connect and build relationships, and to inspire the creation of safe, inclusive, and equitable communities.

What We Do:

We provide direct services, consultation, and training to businesses and organizations while educating the general public about the value of inclusion and accessibility.

Inclusion Initiatives

Sensory-supportive events including the nation's first and only music and wellness festival designed with inclusion and access at it's core.

Accessible Experiences

Our scholarship program provides free access to recreational experiences like concerts, festivals, and conventions for individuals with disabilities and their loved ones.

Consultation and Support

Our volunteer and training programs provide education and first-hand experience to exceed disability access standards in the music industry and beyond.

INCLUSION FESTIVAL

Our annual INCLUSION FESTIVAL demonstrates this vision by offering a diverse lineup of uplifting live music and workshops, by designing an environment that is fully accessible, and by empowering people of all abilities to participate fully in co-creating an inclusive space.

MANAGEMENT TEAM

Our multi-disciplinary management team is comprised of compassionate leaders in the education and entertainment industries with a wide range of personal experiences living with and providing direct support to people with different abilities.

Austin Whitney

Combining his legal education from UC Berkley and his own personal experience living with disability,

Austin assists the nation's largest event promoters to ensure they are fully accessible to all abilities.

Amy Pinder

As a speech-language therapist and music festival producer, Amy has directly served people of all abilities for over 15 years with compassion and dedication to promoting awareness, acceptance, and community inclusion.

Leah Barron

Through her work as a special education teacher, yoga instructor, and music festival producer, Leah has worked to improve the quality of life and access to community resources for people of all abilities through direct service and event planning.

**Music is the universal
language of human kind.**

100% of donations received will cover the costs associated with hosting our sensory-friendly inclusion events, expanding our training and volunteer program, increasing our ticket granting initiative, and providing high-quality education and outreach to our consumers of all ages and abilities

When **diverse voices** are part of the conversations that take place in the comfort of recreational settings, **all of society benefits.**

Thank You!

We hope you will join our worthwhile journey to include and unite all people through the universal language of music!
